CARLSON'S ENTERTAIN AT FINE PARTY

Celebrate Wedding Anniversary and Birthday of Hostess By Inviting Friends to Big Affair at Woman's Clubhouse.

Mr. and Mrs. C. J. Carlson of Schellville royally entertained about 100 of their friends last Saturday evening at a big affair at the Womans' Clubhouse. Although unbeknown to the guests until after they arrived, the party was given to celebrate the 39th wedding anniversary of the esteemed couple and the birthday of the hostess, Mrs. Carlson. After all their friends had assembled at the Womans' clubhouse which had been engaged for the party, dancing was inaugurated to the music of the Knolle-Pauli orchestra.

Mrs. Carlson assisted by her two sons and daughter-in-law saw to it that every body participated in the jollity of the evening. There were dances new and old, included Virginia reels and Paul Jones specials, and old and young united in a right good time. Those who did not dance were provided with card tables and played their favorite games.

At midnight, Mr. and Mrs. Carlson ushered their friends into the club parlor where tables had been set with a fine repast. Beautiful frosted cakes aglow with candles and other decorative features made the scene a festive one as the host and hostess surrounded by their guests enjoyed the bounteous banquet. Wm. F. Clewe acted as toastmaster and congratulated Mr. and Mrs. Carlson on the happy occasion of their anniversaries. Mr. Carlson responded and bade the company a hearty welcome. There was feasting and merry-making until a late hour over a splendid menu consisting of salads, sandwiches, rich cakes, Swedish pastry, ice cream, pinapple sherbet and coffee.

Sociability continued after the banquet and it was with reluctance that the guests finally took their departure for their homes after wishing Mr. and Mrs. Carlson an abundance of happiness and good luck and thanking them for the delightful evening.

LAD FALLS AND BREAKS ARM

The little son of Mr. and Mrs. J. B. Lounibos of Petaluma on Wednesday afternoon fell while at play at school and broke his arm at the elbow. He was removed to the O'Brien Hospital, where an x-ray of the injury was taken and where the fracture was reduced by Dr. J. T. O'Brien.

Miss Zolita Bates and Miss Hazel Glaister are two Sonoma girls registered at the College of the Pacific at San Jose this year. Miss Glaister is a granddaughter of Mrs. Juila Burris.

Mrs. Isabelle Harvey passed thru here Tuesday enroute home to Oakland from a motor trip to Eureka.

George Maxwell of Chicago is here on a visit to his wife and daughter, Miss Ruth, of Maxwelton Farm.

CALL FOR BIDS FOR NEW COOPER BRIDGE

Supervisor Weise Declares It Will Be Finest Structure in County.

In this issue of the Index-Tribune, the Supervisors are inviting sealed bids for the construction of the new reinforced concrete bridge to replace the old Cooper bridge over Sonoma Creek. The estimated cost of the new structure is about $15,900.

Supervisor J. H. Weise declares that Sonoma Valley will have one of the finest new type bridges in the county. It will consist of several spans and ornamental railing and was designed by Architect Rosseau of San Francisco.

The new bridge will span the creek almost at the point of the present one. It is planned to leave the Cooper bridge as a landmark as it is the oldest bridge in Sonoma County. The late Major Snyder was let the contract for providing the timbers in the old bridge which has been a substantial carrier for traffic these many years, but has now outgrown its usefulness and has come to be considered a menace. The sharp curve on the west side of the creek will be straightened out with the placing of the new concrete structure.

This is the second or third fine bridge to be built in Sonoma Valley of late and Supervisor Weise is justly proud of this expenditure of funds for enduring improvements in his district.

TEACHERS TO PRESENT COMING PROGRAMS AT WOMANS' CLUB

The announcement of the program for the coming year at the Womans' Club as outlined at the last meeting reveals the fact that Sonoma's bright school teachers have been put down for most of the coming social afternoons at the Club between now and next March. They will be assisted by other gracious club members who will act as hostess.

The program for the social afternoons and elections are as follows, with regular business sessions the first Friday of each month:

October 15—Program, Lenora Fochetti; Hostess, Gladys Dodge.
November 19—Program, Nettie McConoche; Hostess, Mrs. D. Hatton.
December 17—Program, Agnes Arnot, Hostess Mrs. Rena Carlson.
January 21—Program, Mrs. Ordahl; Hostess, Mrs. Helberg.
February 4—Primaries.
February 18—Program, Miss Burchard; Hostess, Mrs. C. E. Johnson.
March 4—Election
March 18—Program, Miss Edna Cooper; Hostess, Mrs. D. Stofen.

Mr. and Mrs. Tony Cereghino have purchased the Haven residence, one of the prettiest homes in Sonoma.

Mr. and Mrs. Wolf (nee Helen Kerner) of San Francisco are the happy parents of a baby girl born on Thursday last in that city.

Mr. and Mrs. Peter Rasmussen are leaving for a trip to Denmark where they will visit relatives.

Vote for Harry Weise for Supervisor and retain a faithful public official in office. Election Nov. 2nd. *

NATIVE DAUGHTERS DANCE IS TONIGHT

5th Annual Ball To Be Held By Sonoma Parlor Promises To Be Highly Successful.

The Native Daughters of Sonoma Parlor will give their 5th annual dance tonight at Union hall. The committees have been making arrangements to assure everyone who attends a splendid time. Wilson's Jazz orchestra has been engaged to play and there will be many novel and jolly features. Refreshments are to be dispensed by a committee consisting of Leona Batto, Gladys Small, Myrtle Stuermer, Mae Norrbom, and Clara Fouts.

The floor will be under the capable management of Nellie Peterson and Doreles Breitenbach. The decorations are under the direction of Florence Adler. The hat check room will be in charge of Annie Dal Porto and Lenora Fochetti.

Many tickets have been sold and the fair Daughters expect many out of town friends to join with the local party goers in making this one of the best attended dances of the season.

TO RESUME HIGHWAY WORK

SACRAMENTO, Sept. 29.—Following the promise of the several counties concerned to purchase highway bonds, the State Highway Commission today called for bids for the following highway units:

Construction of six miles in Sutter county, between Yuba City and Wadsworth channel.

Paving of twelve miles in Kings county from its westerly boundary to a point one mile west of Lemoore.

These two latter roads include the major part of the Coalinga lateral. The Sutter county contract includes the first section of the Ukiah-Tahoe lateral.

Bids will be opened October 15th.

Frank McGill and son, Stanley, contemplate a trip to Canada.

WINE MAKING BEGINS IN SONOMA VALLEY

Big Tonnage of Grapes Being Crushed At Local Wineries This Season.

Wine making started this week in the big wineries of Sonoma Valley holding permits to make and ship wine for sacramental, medecinal, and scientific purpose. The vintage will be almost the normal amount and all available cooperage will be filled. In addition to the wine grapes purchased from the local growers, grapes are being shipped in from various localities and crushed at local plants. Some of the wineries are working day and night to handle the tonnage.

Car shortage has interfered to some extent with shipments of wine grapes but many trucks are coming into the valley and hauling big motor loads out each day. Most of the larger vineyards however sold their crops here. The prices ranged from $75 upward. Wine will bring about $1 f. o. b. Sonoma Valley shipping points.

The total shipment of grapes from California to the Eastern market up to September 20th was 20,880 cars as compared to 16,713 up to the same date last year.

AMENDED THEIR COMPLAINT

August Castagnet and his wife, who purchased the Greenfield property last year and brought suit against Lena and A. Makower, former owners asking damages for misrepresentation and trouble over their property line, have filed an amended complaint.

The Castagnets allege they have but 70 feet of land whereas the 75 foot lot and improvements fenced in was represented to them as the property they were purchasing. The deed they got did not call for the frontage sold them so they brought suit for $1000 damages. The property originally belonged to the late Arvilla McHarvey.

JACK LONDON'S NEPHEW WEDS BY MOONLIGHT

Irving Shepard and Miss Mildred Ranker United in Marriage By Judge Leopold Justi Monday.

A romantic moonlight wedding in which the principals were Irving Shepard, nephew of Jack London, and Miss Mildred Ranker, pretty Glen Ellen girl, took place Monday evening under the stately oaks at the Justi place, Judge Leopold Justi officiating.

Although the wedding was scheduled for Sunday October 4th, the young folks journeyed to Santa Rosa last Monday to procure their marriage license, and having the wondrous document in their possession and thrilled with the romance of one of Sonoma's most beautiful moonlit nights, it was suggested as they sped down the valley toward home, that they stop off at Judge Justi's and have the knot tied then and there. The mother of the groom-to-be, Mrs. Eliza Shepard, lent a kindly ear to the plan of her children and having taken into their confidence the bride elect's mother, Mrs. E. A. Ranker, all assembled at the picturesque old

home of Glen Ellen's marrying magistrate who consented most chivalrously to do the honors. He offered his study or his living room for the scene of the wedding but as if by inspiration all proclaimed that it should take place out in the open where the Valley of the Moon shone in all its true beauty by the light of a wondrous September moon. It was so ordered and under the grand old trees through which the moonlight streamed in all its beneficence, the young couple plighted their troth, Judge Justi reciting the solemn words which united them in the holy bonds of matrimony. The bride was attended by her eldest sister, Mrs. Geary, and her little niece, Bernice. Mr. E. H. Woodward acted as best man.

After the ceremony the wedding party motored up to the London ranch, the future home of bride and groom, and after proclaiming the happy and unexpected news to everyone there, including Mrs. Jack London an impromptu party was arranged to celebrate the event.

Young Shepard and his bride left the following day for Southern California where the honeymoon is to include a visit to San Diego, to Los Angeles and to San Luis Obispo, where they will visit Miss Myrtle Minkel, former chum of the bride, and other friends.

Irving Shepard is the only son of Mrs. Eliza Shepard, sister of the late Jack London. He is a young man of splendid qualities and his travel and experience while engaged in the hazardown work with the mine sweeps in the Navy has developed many strong and fine traits. In his choice of a wife he has been most fortunate. Miss Ranker is one of Sonoma Valley's fairest daughters, a girl of charm and intellect. She is the second daughter of Mr. and Mrs. E. A. Ranker and a graduate of the Sonoma High School.

The Index-Tribune unites with many friends in engratulating Mr. Shepard and his bride.

ADLER TO ENLARGE FURNITURE FACTORY FACILITIES

A. W. Adler has had the foundation piers set for a big addition to his furniture factory on Spain St. The new building is to be 28 x 100 and will increase the size of the present finishing and setting up room. This unit of the plant when complete will be 28 x 170.

Mr. Adler has enough work ahead for eight of ten months and is getting out some very fine shipments of quarter sawed oak desks and also a government order for tables. He has about eleven men employed at the factory at the present time.

PRESS SMITH IS NEW COUNTY ENGINEER

County Surveyor Succeeds Lloyd Aldrich in Road Building Program Under Reams Act.

At a meeting of the Board of Supervisors last Friday, County Surveyor Press Smith was appointed County Engineer under the Reams act to succeed Lloyd Aldrich, resigned. A motion by Supervisor Doss of Petaluma to rescind the acceptance of Aldrich's resignation failed of a second.

Mr. Smith has been County Surveyor for several years and has had much experience in road building. He will carry on the program of permanent concrete highways under way since the voting of bonds by Sonoma County. It is said that his organization will be highly efficient and that economy consistent with good results will be Mr. Smith's policy. His salary will be $4,200 a year as provided when the county adopted the Reams Act, and decided that the County Engineer plan was to succeed the old way of road building by supervisors.

WOULD HAVE MAP OF SONOMA RECORDED

In order to avoid any question as to the right to refer to a map of Sonoma in the drawing of deeds, the city trustees have decided to act on the advice of the District Attorney and have one formally placed an record. It appears that the original map of tht old Pueblo of Sonoma drawn in 1850 and comprising a plot of 6035 acres has disappeared and the ones in use are copies thereof. When the municipality was formed the old map setting forth all property within the city limits was adopted. All deeds of town property refer to this map.

Mayor Dal Pogetto has had the following corespondence with District Attorney Hoyle confirming the rumor that there is no map record at the present time:

Santa Rosa, Cal., Sept. 28, 1920.
Chas. Dal Poggetto, Esq.,
Sonoma, Cal.
My Dear Sir:

Your favor at hand and in reply will say: I have looked through the records and have also asked one of the leading abstractors and from the best information I can get there is no map record in the Recorder's office of the former Pueblo or City of Sonoma. As to descriptions referring to the said map will say that a map of the City of Sonoma should subsequently be recorded in the Recorder's office it would describe a definite piece of property, but until such a may is recorded there is no map of record which would show where the land is. Your City is not the only one which is in that condition. Cloverdale was surveyed in 1872 by J. D. Browne and a map of said town made by him and a great many of the deeds referred to his map, but his map was never placed on record. Conditions of this kind should be corrected as soon as possible for the benefit of property owners whose lands are described by reference to such a map.

JOSEPH KEECHLER OF LAKEVILLE DIES

Well Known Farmer Formerly of Sonoma Mountain Passed Away After Lingering Illness Sunday.

Joseph P. Keechler, prominent farmer of the Lakeville district, and a brother of Bloss Keechler of this valley died after a protracted illness last Sunday. Mr. Keechler was born here in 1876 and is survived by a wife, six children and aged mother, the latter residing with her son, Bloss near El Verano.

Deceased was formerly leasee of the Harding ranch on Sonoma Mountain and through integrity and industry became a highly successful dairyman and stock raiser. Some years ago he moved to the ranch on the Lakeville road where he passed away. His death is regretted by a large circle of friends both here and in Petaluma. In commenting on his passing the Petaluma Argus said:

He was a splendid citizen; a man of the highest integrity, and was a devoted husband, father and son, and a loyal American. He was one of the leaders of the Lakeville Social Club and center and for some time had been in charge of the club functions and hall and worked hard for the success of the organization. He was also an honored member of Petaluma Council No. 1886 of the Knights of Columbus, and the members of that order will this evening recite the Rosary over his remains. There were no better men than "Joe" Keechler and in his death the community loses a citizen who was highly regarded and whose death is a sad tragedy.

Mr. Keechler's widow was formerly Miss Rose Miller of Salina, whom he married in 1902. Six daughters survive deceased, two of the girls being twins seven months old.

The funeral took place from his late residence Tuesday morning at 9 o'clock and from there the cortege proceeded to St. Vincents church Petaluma where there was a solemn high mass for the repose of his soul. Interment was at Calvary cemetery.

FREIGHT RATES AND PRICES

The following article is from the October issue of the "Northwestern Pacific Headlight":

"The impression is more or less general that the recent increase in freight rates will result in much higher prices to the consumer of Foodstuffs, Clothing, etc. As a matter of fact, the cost to the consumer is practically nominal. To bring this fact clearly before you the following table has been compiled to show how much the present freight rates should add to the cost of Foodstuffs, Wearing Apparel, etc.:

Flour	Per 50 lb. Sack	5 cents increase
Eggs	Per Dozen	.5 cent increase
Sugar	Per Pound	.2 cent increase
Coffee	Per Pound	.2 cent increase
Canned Goods	Per 2 Pound Can	.4 cent increase
Ham — Bacon	Per Pound	.2 cent increase
Suit of Clothes	Per Suit	14 cents increase
Shoes	Per Pair	6.7 cents increase
Underwear	Per Suit	4.9 cents increase
Hats	Per Hat	1.4 cents increase

"The above figures are based upon liberal estimates of weights per unit named, including weight of container, of the increased rates on the raw material to manufacturing points, the increased rates on the finished articles from the customary markets and places of manufacture to points on the Northwestern Pacific Railroad, which take the highest rates: the increase in cost at points taking lower rates being correspondingly less."

THE ARGUMENT THAT Sonoma has been without paved streets for years and a fire engine too, and can wait a while longer, is the sort of argument that has kept our city in the rut it is in. Now that our progressive citizens have made a move and voted funds for streets and shown their disposition to protect the town from fire, let us have action gentlemen.

In the case of the streets, while winter may overtake us and force delay in actual construction, get ready for the work as suggested by Mr. Cozad, and put the main thoroughfares in passable temporary condition at once. Sonoma's streets are in a deplorable condition and if the good Lord does not send rain we should get the water wagon out and get busy on the scarifying process.

The fire engine inquiry should be followed up closely and an early decision and active compaign follow. With the guarantee of sellers to demonstrate and make good before any money is paid, it looks as though the Business Men's Association could proceed with their purchase without any risk. Every day lost in the acquiring of a fire engine gives the fire Demon just that much chance to visit our town with the greatly to be feared expensive results and disaster. We have started out to rout the fire menace. Let us finish what we have begun.

—o—

EXCESSIVE WAGE demands and constantly raising the scale in the building trades is largely responsible for depression in the lumber industry. It is idle to talk of the common run of families doing any building with wages at $1.00 and $1.25 an hour for many of the lines of labor in erecting houses. It must be remembered that nine families out of ten belong to the wage earning class and they cannot earn enough to live and pay such wages for building. There must be a readjustment of wages or a bigger days work if there is to be any great movement in construction of new homes, and then lumber products will move.—Pacific Coast Manufacturer.

—o—

THE DROP IN the price of Ford cars is good news all right, but we would like to hear more about shoes and stockings coming down. We don't all ride you know and walking would be lots better, and easier on the family purse if the kiddies' shoes and mother's hose and dad's socks took a substantial drop along with leather. Then we could all step out.

—o—

ALL THIS TALK about black base roads sounds terrible black and terrible base, but if asphalt concrete is what is meant we believe it far superior to the concrete as laid on our state highways. Cracked and crumbling concrete roads are in evidence wherever there is motor travel.

LOVEALL AND WOOD VALLEYS TO HAVE CLUB

Residents of Hills Northeast of Buena Vista To Form Improvement Association.

The residents of Loveall and Wood Valleys, the picturesque country northeast of Buena Vista are to hold a meeting sometime this month to form an Improvement Club. For some time past the necessity for such an organization has been manifest to unite on a plan for road improvements, fire protection, publicity and sociability.

The owners of acreage in the valleys are taking much pride in fixing up their little homes and believed that much good will come of cooperation.

Considerable activity in real estate has been manifest the past year and many of the older residents have struck good water at the average depth and this will give them a decided advantage. At the present time, A. Williams and F. H. Bennets are digging wells. Mr. Bennets got 18 inches of water at 7 feet.

One of the recent comers to Wood Valley is Mrs. Thurston for many years a resident of San Francisco and Oakland. So well pleased is she with the country that she has had her nephew Arthur Williams buy the 11 acres near her, recently owned by the Faulkner sisters.

Mr. Bennets, the carpenter and builder, is one of the leading spirits in the organization of the proposed improvement club and he is interesting all his neighbors in the movement.

SONOMA GETS A PRESS NOTICE

The little burg of Sonoma has decided to get a real fire engine, a combination pressure pumping and chemical auto truck, to cost about $4000. This is 40 per cent more than Healdsburg's outfit cost, but it will be 100 per cent more reliable as a fire-fighting unit. Healdsburg might well put the difference saved into a real fire alarm system, which would then put this city 100 per cent better equipped for fighting fire than it is today.—Healdsburg Tribune.

GRAPE PASTE TO BE MADE AT UKIAH

Italian Government Chemist Perfects Process For New Product "Caligrapo."

Professor E. Monte, Italian government chemist, who made a special trip from Italy in order to visit and inspect the plant of the California Grape Products Company here, has practically completed his investigation, and will, in all probability, return to Italy within the month.

Professor Monte has been also supervising the installation of some of the machinery in the plant which will take grape juice and make into a paste, readily convertible by the addition of water into a drink with the semblance of the "real thing" but in reality containing no alcohol.

The plant, which will have a capacity for nearly one million five hundred thousand gallons of this grape juice, is practically completed; in fact some few tons of grapes have already been pressed into juice. The machinery necessary for the final converting of the juice into the paste has not yet arrived, but is expected in the near future, according to statements made by A. Perelli Minetti, manager of the plant.

The grape paste, and other products of the plant will be sold under the trade name of "Caligrapo", with a specially designed trade mark bearing the name.

A colony for the raising of grapes is now being formed by the company and it is said will be producing five hundred tons of grapes annually within five years.—Ukiah Times Journal.

EGG LAYING CONTEST PLANNED

Petaluma is planning on holding an egg laying contest to commence in November and continue for one year. It is expected that 35 poultrymen of the State will compete. The contest will be under the direction of the State farm and University of California representatives.

The Petaluma Chamber of Commerce appropriated $500 toward financing the contest.

CITY'S IMPROVEMENTS ARE PROGRESSING

The building of the new sewer on East Napa Street is progressing very satisfactorily and will be completed within a few days. Foreman R. Quartaroli and his men will then be put to work on the streets of town. Trustee Angelo Beretta anounces that the plate glass business section will be protected from loose stones by the oiling and sand coating of the block where much damage has recently occured from rocks being thrown up against windows by passing automobiles.

The main thoroughfares of town are to be scarified and graded up.

The permanent paving will be put in after the winter season is over.

All subscribers are kindly requested to observe the date on their papers if delivered through the Post Office, or if by carrier to refer to their last receipt in order that their subscriptions to the Index-Tribune many be kept strictly in advance. With increased costs of issuing a newspaper under present conditions we must have the cooperation of our readers in order to keep the subscription price at $2 per year. The sending of bills and statements to subscribers who do not pay up, cuts down our profits and as the price of the Index is now less than 5 cents per week to regular subscribers it is readily seen that it is poor businesss policy and must only lead to a raise in price. We trust that calling the attention of our subscribers to our position in the matter will be sufficient to bring our list up to a 100 per cent paid-in-advance family of readers. $2 per year; with the San Francisco Bulletin, $7; with the Chronicle or Examiner $10.80 per year.

Chilled Rubber Process
YOU'VE probably often thought that somebody some time would produce Tires and Tubes that would leave no complaint as to costs. You were right. That time has *arrived*
The discovery of how to produce greater Tire and Tube resistance and *strength* has been made. It is the Gillette Chilled Rubber Process—the perfected method. Toughens rubber as iron is toughened by changing to steel—building up endurance and bringing down costs to the lowest figures of economy
Absolutely the biggest worth—in service—in mileage—ever offered Tire and Tube buyers. One Gillette is bound to sell you a set.

TEACHERS INSTITUTE WILL BE OCT. 20-22

The 56th annual session of the Sonoma County Teachers' Institute will convene at the high school annex, Santa Rosa, Wednesday morning, Oct. 20, and continue through Thursday and Friday with morning and afternoon sessions, according to official announcement made by the county superintendent of schools yesterday.

Owing to the fact that the California state teachers' association meets in San Francisco Monday, Oct. 18, for its annual session, and the county institutes about the bay are held the same week, Superintendent Ben F. Ballard took the opportunity of securing some unusual talent for the Sonoma County Institute and found to be able to take advantage of the opportunity, the institute will have to open in the middle of the week instead of the first.

Among those who have been secured to speak before the local teachers are Mark Keppel, county superintendent of schools in Los Angeles; Dr. Howard R. Driggs, president of the University of Utah, Salt Lake City; Mrs. May Dexter Honshall, state library organizer; Dr. W. C. Bagley, Teachers' College of Columbia University; Vaughan MacCaughey superintendent of public instruction of Hawaii; Miss Jessie L. Burall, chief of school service, National Geogrraphical Society; Wm. John Cooper, fr two years president of the C. T. A., and now superintendent of the Piedmont schools; George Hjelte, assistant state supervisor of physical education.

The program is being worked out but will not be ready until the middle of next month, but sufficient acceptances have been received from the invited speakers to make assurances doubly sure that the institute will be one of the best ever held. Every teacher in the county is required to be in attendance.

PLAN BENEFIT TO GET ANOTHER TEACHER

Glen Ellen School Has Increased Attendance and Must Provide Funds To Hire School Marm.

The good folks of our neighboring community, Glen Ellen, find themselves confronted with the necessity of getting hold of funds to provide another teacher for the Glen Ellen school, the attendance of which has jumped from 35 pupils last term to 55. As no other aid is possible at the present time, the trustees Messrs Edrington and Wickham and Mrs. Shepard have decided to appeal to public generosity, and by means of giving an entertainment at Chauvet Hall on October 9th to raise the much needed money for another pedagogue.

Tickets are on sale and a liberal response is expected from all friends of Education. A fine program to conclude with dancing is being arranged.

SPEAKER AT COUNTY FEDERATION TELSS OF NEW INSTITUTION AT BUENA VISTA

At the meeting of the County Federation of Woman's Clubs held yesterday at the Petaluma Womans' club house, presided over by Mrs. Pryor of Santa Rosa, a large number of the club women were present, including many from San Francisco and the East Bay cities, in addition to the Sonoma county delegates.

The clubhouse had been artistically decorated by Mrs. F. H. Phillips and Miss Tess Sweed, who worked until a late hour Tuesday in getting the decorations placed.

Mrs. Law of San Francisco spoke on legislature matters.

Mrs. Hume, who was expected to give one of the main addresses was unavoidably absent.

Luncheon was served by the members of the Petaluma Woman's club at noon.

Miss Blanche Morse of Berkeley, secretary of the board of managers for the Industrial Farm for Women was the first speaker of the afternoon. She told of the selecting of the Johnson place near Sonoma for the institution and of the plans of the board for the reformation of the wards of the home. These plans include instruction in all domestic sciences, cooking, sewing, housekeeping, weaving, work in the garden and care of animals around the place. It is the aim of the board to help these women to become self supporting, self respecting members of society.

Mrs. Frank Law, chairman of the woman's legislative council told of what the California women are trying to do in the way of framing more just laws for women and children. She spoke at length on the community property law which will give the wife the same legal right to community property as the husband. This council is an active one and is doing good work in Sacramento.

Dr. Marion Bertola also gave a splendid talk.

Those who attended from the Sonoma Club were Mrs. Dora Stofen, Miss Stofen and Mrs. R. P. Hill.

E. J. Harris and family were called to Fresno last week on account of the illness of a relative. While away Mr. Harris purchased a new Case car through the Fresno agency.

JOSE ALTIMIRA PURCHASES SONOMA PROPERTY

Mr. and Mrs. Husson hove sold their home on the corner of Spain and Second St. East to Jose Altimira and wife of San Francisco. The property is near the historic Mission founded by Padre Altimira in 1824.

The Altimiras who are to reside here were in the Spanish cafteria business in San Francisco.

Mr. and Mrs. Husson have taken apartments in the Dal Pogetto block and Mr. Husson will later go to the French hospital for treatment for rheumatism.

Requiring glasses may have them fitted at Simmons' Pharmacy. Lawson-Rinner Optical Company. Superior service there Monday, Oct. 4th.

DEPUTY SHERIFF RYAN ARRESTS SUSPICIOUS CHARACTER WEDNESDAY

Deputy Sheriff Joe Ryan who has been investigating and rounding up suspicious characters ever since the recent robberies here, took J. B. Smith into custody on Wednesday and charged him with vagrancy. He was taken before Judge Small and given a 45 day sentence during which time his movements in Sonoma Valley will be carefully checked up. Smith is said to have been an inmate of the Ione Reform School and is a hard looking character.

The Kenwood depot was again broken into, but as usual the thief got nothing for his trouble. This seems to be a favorite job with crooks despite the fact that they invariably get left on the loot they imagine is within. As a good thing for burglars the Kenwood depot is a "lemon."

Mrs. W. T. Holt and little son have been up on a visit to the Clewe home.

SONOMA SPEEDER FINED

P. L. Van Cise must be more precise when he drives his Ford through the City of Sonoma in the future, as he probably knows now that he has paid $10 of his good money to the town Recorder for speeding with his muffler open.

City Marshal Albertson's eagle eye spotted the speed fiend, who is a foreman on the new Vineburg highway and he hauled him before the court. Judge Small heard the evidence and declared in spite of his regard for Fords he would have to assess a fine of $10 against Albertson's prisoner. Van Cise paid.

WAS ESCORT TO DEMOCRATIC CHIEF

Stewart Potter who is a student at the University of California was chosen as one of the student escorts of Presidential candidate Cox from 16th Street Oakland to San Francisco. Stewart was photographed with the Democratic Chief and his picture appeared in a recent issue of the "Call".

Young Potter is a son of Chas. Potter of Schellville and was quite proud of the honor confered upon him. He is specializing on economics and political science at the University.

GARDEN PARTY NETS OVER $100 FOR WOMANS' CLUB

A very pretty al fresco affair on the attractive grounds of the old Duhring homestead placed at the disposal of the Womans' Club through courtesy of Mrs. T. C. Denny, netted the clubhouse fund over $100 on Wednesday afternoon and evening.

Booths at which candy, ice cream, coffee and tamales were sold, and games which amused the children were presided over by Club members, and netted substantial sums for the good cause.

A program afternoon and evening was an attractive feature. Mrs. Emparan sang, there were recitations by Mrs. Burchett, readings by Miss Minnie Cooke, songs by Mrs. Savacool, Harry Prince and Victor Jurono.

The garden was illuminated for the evening by myriads of electric lights and lanterns and the event was altogether a delightful one.

McDONOUGH COMPANY COMING TO PETALUMA

The favorite McDonough Stock Company, which has played here several times during the past two years, and the members of which organization have many friends here, will open an engagement in Petaluma on next Monday evening.

The company is the same as before, Tobey Walker having fully recovered from the effects of his recent serious auto accident on one of the Humboldt county grades.

The company will remain for several weeks and will present an entirely new repertoire.

SONOMA LIBRARIAN ATTENDS DISTRICT CONVENTION AT NAPA

Librarian Kate McDonell attended the District Convention of Librarians which convened in Napa last Saturday. It was an interesting session and of much value to the visiting delegates who exchanged ideas and gave reports of the work in their several communities.

Sonoma's Librarian, after looking over the Napa library was much pleased at the contrast Sonoma's fine building and equipment affords. The Napa County librarian visited our library Saturday evening and highly complimented the librarian on its upkeep and general appearance. Considering the close margin on which Sonoma has been maintaining its library and the small salary paid the librarian, it is a decided compliment and should encourage the city trustees to make provision for more library funds that the number of volumes on the shelves can be augmented and kept in proper repair and the librarian's salary be brought up to standard.

Santa Rosa is appealing to its City Council for $1000 extra maintenance money for its library.

FRIENDS COMPLIMENT SONOMA LADY WHO LEFT FOR SCOTLAND

A number of friends and neighbors met at the home of Mrs. P. W. Angove on Friday afternoon to bid bon voyage to Mrs. I. Colquhoun who leaves San Francisco Saturday for New York, thence on the S. S. Columbia to Scotland. Dainty refreshments were served, table decorations being carried out in pink and white. An enjoyable afternoon was spent and all wished Mrs. Colquhoun a pleasant and safe journey.

JOS. KEECHLER'S WILL FILED FOR PROBATE

The will of the late Joseph P. Keechler, of Lakeville, was filed yesterday in the Superior Court by Attorney W. T. Mooney, on behalf of the widow.

The will bequeaths one half of the estate to the widow and the other half in trust during her life for the children. The estate consists of property and stock to the value of $15-500, and a $12,000 life insurance policy.

Mr. Keechler was one of the prominent ranchers of the Lakeville district.

VINEBURG NEWS

Miss Adele Andrieux returned on Wednesday eve after a pleasant visit to the Bay Cities.

Mr. and Mrs. August Figone returned to San Francisco on Tuesday after a 3 days' visit at John Batto's residence.

Henry Hansen of San Francisco was a visitor in this section on Wednesday last.

Grape picking is now in full blast at the Rhine Farm and Dresel and Company will start to pick on Friday.

Messrs John and Fred Batto motored to Petaluma on Thursday last on a business trip.

Vineburg is as peaceful as ever, and business is as good as can be expected, as our heavy-built "Village Blacksmith", Mr. Farris has all he can attend to and then some more. Frank Allen, our Tonsorial artist is now considered by the ladies one of the most useful men in the burg as he keeps the young men's "faces" looking nice. Yes and I notice he doesn't forget the "old birds mugs either." W. R. Hansen, the local merchant reports business favorable.

Mr. and Mrs. Edmund Bacher of the Hyde tract have returned home after a weeks' visit to the bay cities.

Mr. Peter Deirx, the well known contractor and builder has purchased a handsome Dodge touring car.

A surprise party was given W. H. McFadden last Saturday night and all had a jolly time. The neighbors who participated were Mr. and Mrs. George Angove, Mr. and Mrs. Carter, Geo. Warren, Mr. and Mrs. Maurer and Mrs. Little.

Mr. and Mrs. Rudy Litchenberg held their annual barbecue at Burdells last Saturday and a delegation from Boyes Springs, including the orchestra attended the festivities.

Mrs. R. Bonness gave a pleasant afternoon this week complimentary to her mother who is visiting her.

Mrs. R. I. Lewis of Caliente Villa was called to Martinez Thursday on account of the death of a relative.

The assignment of Robert A. Hughes of Racine, Wisconsin, a relative of the late John Heugift, of all interest in the estate for $500 to Dr. Russell Morris has been put on record.

No. 11811

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SONOMA

Evangeline C. Dodge, Neal E. Dodge and Richard D. Dodge, Plaintiffs, vs. **John Lewis, Christian Bruner, Victor Prudon, Robert B. Carter, Mabel C. Coffin** (formerly Mabel C. Carter), as guardian of the person and estate of Robert B. Carter, minor, and all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership, or any cloud upon plaintiffs' title thereto, Defendants.

SUMMONS

Action brought in the Superior Court of the State of California, in and for the County of Sonoma, and the complaint filed in the office of the County Clerk of said County of Sonoma.—**J. R. Leppo,** Santa Rosa, California, attorney for plaintiffs.

The People of the State of California Send Greeting to: JOHN LEWIS, CHRISTIAN BRUNER, VICTOR PRUDON. ROBERT B. CARTER, MABEL C. COFFIN (formerly Mabel C. Carter), as guardian of the person and estate of Robert B. Carter, minor, and all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership, or any cloud upon plaintiffs' title thereto, Defendants.

YOU, AND EACH OF YOU, ARE HEREBY DIRECTED to appear, and answer the complaint in an action entitled above, brought against you in the Superior Court of the State of California, in and for the County of Sonoma, within ten days after service on you of this summons, if served within the county, or within thirty days, if served elsewhere.

"AND YOU ARE HEREBY NOTIFIED that unless you appear and answer as above required, the said plaintiffs will take judgment for any money or damages demanded in the complaint, as arising upon contract, or plaintiffs will apply to the court for any other relief demanded in the complaint.

This action is brought and the object thereof is to determine the adverse claims to and clouds upon plaintiffs' title to the said real property hereinafter described, and to obtain the judgment of this court adjudging and decreeing that said plaintiffs are the owners in fee simple absolute and entitled to the possession and in the possession of the said real property described in plaintiffs' complaint herein, and that the said defendants and all other persons known or unknown, or any of them, have not, nor has either of them, any right, title, estate, lien, interest or right of possession in the real property described in the complaint, or any part thereof, and that they, and each of them, be forever barred from asserting any claim thereto. The said real property is situate, lying and being in the County of Sonoma, State of California, and is more particularly described as follows, to-wit:

First Piece: Beginning at an iron pin driven into the ground at a point in the center of a gateway on the North line of Out Lot 575, as laid down and designated on the official map of the Town or City of Sonoma, bearing North 83 degrees West from the Northeast corner of said Out Lot, and distant from said corner 11.88 chains West, and running thence South 6 degrees 15 minutes West, 17 chains to an iron pin; thence South 7 degrees West, 20.20 chains to the center of Sonoma Creek; thence up the center of said Creek, following the meanders thereof, to the Southerly line of a street leading from Sonoma Creek to Broadway; thence Easterly, along the Northerly line of Out Lot 574 to its Northeasterly corner; thence Southerly, along the Westerly line of Broadway to Chili Street; thence along the Southerly Line of Chili Street, to the place of beginning, comprising Out Lot 574, and the Westerly portion of Out Lots 575 and 583, also the Westerly portion of the strip of land designated as Argentina Street, and that portion of the strip of land designated as Broadway which lies South of Chili Street;

Second Piece: Beginning at a stake marked HH, standing on the Southeasterly line of land heretofore conveyed by Jerome Lincoln to S. J. Agnew, thence North 66 degrees 15 minutes East, 1.66 chains to the center of Sonoma Creek; thence down said Creek, following the meanders thereof, 32.13 chains to a point in the center of the stream; thence South 66 degrees 15 minutes West, 26.20 chains to a stake in the line of land of Jerome Lincoln; thence North 23 degrees 45 minutes West, 25 chains to a stake in the line of said land of Agnew; thence on said line, North 66 degrees 15 minutes East, 36.24 chains to the place of beginning, containing 69.86 acres, being a portion of the Polpula Tract of the Petaluma Rancho, conveyed by Jerome Lincoln to Robert Howe and Robert Hall, by deed of December 28, 1881, recorded in Book 76 of Deeds, page 605, of Sonoma County Records;

Third Piece: Beginning at a stake standing at the most Southerly corner of the Second Piece above described, running thence South 23 degrees 45 minutes East, along the line of Jerome Lincoln, 14.30 chains, more or less, to an iron pin in the corner of a fence; thence along said fence, North 67 degrees 15 minutes East 28 chains more or less to the center of Sonoma Creek; thence up said stream to a point in the center thereof, at a corner of said Second Piece; thence North 66 degrees 15 minutes East, on the line of said Second Piece, 26.20 chains to place of beginning;

Being a part of Polpula Tract of the Petaluma Rancho and the Northwesterly portion of the land conveyed by Jerome Lincoln to Robert Howe and Robert Hall, by the deed of November 14, 1882, recorded in Book 83 of Deeds, page 205, of Sonoma County Records.

Saving and Excepting, however, from the Second and Third Pieces above described, that certain piece of land conveyed by Robert Hall and Thirza Denia Hall, his wife, on November 11, 1912, to Carl Jakober and Matilda Jakober, his wife, which said deed is recorded in Book 305 of Deeds, page 93, of the Sonoma County Records;

Also, Saving and Excepting from said Second and Third Pieces above described, that certain land conveyed on August 18, 1887, by Robert Hall to the Santa Rosa and Carquinez Railroad Company.

The above described three pieces of property constitute what is commonly known as and called the **Hall Ranch** of Sonoma Valley, Sonoma County, California.

Fourth Piece: The Northerly 75 feet of the Westerly 150 feet of small or in-lot No. 75 of the City of Sonoma, in the County of Sonoma, State of California, as the said lot is known, numbered and designated on the official map or plat thereof.

Together with all and singular the easements, tenements and appurtenances thereunto belonging, or in anywise appertaining.

Given under my hand and the seal of said Superior Court this 6th day of July, 1920.

VOTE "NO" ON PROPOSITION NO. 2

Argument Against Harris State Prohibition Enforcement Act

PROPOSITION NO. 2 ON THE NOVEMBER BALLOT

Proposition No. 2 (the Harris State Prohibition Enforcement Act), does not represent true California sentiment. The measure itself is the product of the Last Legislature which absolutely misrepresented the majority wish of the people of this State on the question of prohibition.

In 1914, 1916 and 1918 California voted down prohibition by very decisive majorities. Within sixty days after the people had rejected the third attempt of the prohibitionists, a Legislature dominated by radical "drys" performed the startling feat of placing this State in the prohibition column by ratifying the Eighteenth Amendment and passing the Harris Act in California by way of enforcement.

In the rush to take advantage of a favorable Legislature, upon the personnel of which the prohibition element had worked at the preceding election, the Harris bill was devised and adopted eight months before the Volstead National Enforcement Act was passed by Congress.

The grape-growing interests of California availed themselves of the right of referendum and promptly presented a widely-signed petition to the Secretary of State. This brings the question of prohibition again before the voters.

Men and women who believe in democracy in government should unhesitatingly vote "NO" on Proposition No. 2. In the annals of political history in this State, there is no more glaring perversion of the law of justice or thwarting of the will of the people than was exemplified in the passing of this particular State measure. Even a prohibitionist who would profess to love justice, would vote down this legislation with conscience clear. The conservative reasoning voter really has no other ccurse to pursue if he analyzes the facts.

Let it be explained further that this Act would foist on this State a bone-dry prohibition law from which the people of California could get no relief even if Congress in its judgment later on saw fit to modify the Volstead Act by permitting the use of light wines and beers in the home. If Proposition No. 2 becomes the law in our State, we would find ourselves under rigid radical prohibition while other States in the Union could enjoy any modifications that might come through Congress by amendment of the Volstead Act. This would make a laughing stock of California which produces ninety per cent of all the grapes grown in the United States.

Proposition No 2, being of premature birth, is unecessary legislation. If it becomes the law, it compels those who purchase liquor for non-beverage purposes, to obtain double sets of permits —one from the United States Prohibition Enforcement Department and another from the California State Board of Pharmacy.

I trust the great majority of voters of this State will mark "X" opposite the word "NO" on this measure and thereby again defeat prohibition in California for the fourth time. I repeat that the proposed law is superfluous would bar light wines and beer in the home, and does not reflect the true sentiment of our glorious hospitable California.

(Signed) E. M. SHEEHAN,
President California Grape Growers' Exchange.
